

FALL BASEBALL CAMPS

September, October and November 2022/January 2023

Want to get “warmed up” for baseball in the Spring? Want to get ahead of everybody else? Little League and Pony League is right around the corner. Get prepared for tryouts. After talking to most of the Little League managers, we have geared the instruction of this camp to prepare the players for tryouts. Come join us on Saturdays at Harbor High’s awesome turf baseball field! (Rain or shine). This camp is designed to instruct players of all skill levels in catching, throwing, hitting, fielding, pitching, base running and baseball appreciation. Individualized instruction will be the focus at skill stations and wiffle ball games will provide added fun. We will also be using technology to measure exit velocity for each player’s swing. **All campers will receive a baseball camp t-shirt!** See you soon!
